“Wenn die Hölle so heiss ist, möchte ich dort sein.”
- Ralf Schmidt (Berlin)

“What's the market for a peculiar melange of lush noise like this? It's for anyone with ears, a taste for the overwhelming sensoround pulse of music, and with a decent sense of humour.”
- David Sly (Adelaide)

“They are a quartet of very capable musicians who have conspired to play irreverent, intelligent and, importantly, very enjoyable music. Not a drop of blood in sight.”
- David Robinson, (Adelaide)
